

## **Training Facility Operating Policies**

1. Make-up classes are not typically available for missed classes. If arrangements are made in advance, the instructor may be able to meet with students fifteen minutes before class start time to go over what was missed.
2. If your dog is sick, please do not bring them to class. If you have a question about what is allowed in class, please contact the instructor. You are encouraged to come to class without your dog to see what is covered in class.
3. Dogs in heat are not allowed to attend class as it is a distraction to other dogs. You are encouraged to come to class without your dog to see what is covered that day.
4. The instructor reserves the right to expel dogs who show aggression towards people or other dogs. Private sessions may be recommended in these cases. Please be sure to disclose any aggressive tendencies that your dog may have to the instructor prior to registering.
5. Dogs must be on leash on the property.
6. Please clean up after your dog.
7. Please don't allow dogs to meet in class until the instructor gives permission.
8. Young children must be supervised by an additional adult so the primary handler of the dog can devote their full attention to class.
